Forming a Community of Christ with the Saints

February 4, 2010

Yesterday was our Catholic School's Week all school liturgy. I want to thank Mrs. Poniewaz and 4P for their preparation and participation. It was also the memorial of St. Blaise. He once helped a small boy who was choking on a fishbone. All present had the opportunity to have their throats blessed, and we prayed to St. Blaise to heal and protect them from illnesses of the throat.

Spotlight on *Mission to Educate: A Faithful Past, A Faith-Filled Future* – A newly-produced one-hour documentary on the history and future of Catholic education in the Archdiocese of Saint Louis, *Mission to Educate: A Faithful Past, A Faith-Filled Future*, will air on HEC-TV (Cable) at the following times: Sundays in February, 1 p.m. and Mondays in February, 7 p.m. HEC-TV

If you have not re-registered for the 2010-2011 school year, please do so as soon as possible. As soon as St. Sabina sends in their registration forms, we will be opening the remaining spaces to anyone in the greater community who wish to send their children to St. Norbert. Re-registering now ensures you will have a space for next year.

The FACTS Grant & Aid Application for tuition assistance for the 2010-2011 school year is available in the school office. If you need an application or more information, contact the office.

Next Friday, February 12th is an out-of-uniform day with donations to the American Heart Association.

Last year during Catholic School's Week we had to cancel not one, but two days due to inclement weather. It looks like we are again going to get some snow but I don't think enough to cancel anything but you never know!
